

BUS SOCKET SMD 13.2

SKU:A117

Description

BUS SOCKET SMD 13.2 is the SMD male and female header kit that contains 10 sets 2 x 15Pin male and female headers. The spacing and number of holes are the same as the M-BUS on M5Core and M5Core2, allowing you to design your own circuit and connect it to M5Core and M5Core2.

Product Features

- Male header 2 x 15Pin @ 2.54mm
- Female header 2 x 15Pin @ 2.54mm
- With Locating Pins

Includes

- 10 x BUS SOCKET SMD 13.2 male header
- 10 x BUS SOCKET SMD 13.2 female header

Application

- PCB DIY

Specifications

Specifications	Parameters
SMD header	2x15P
Female row height	9.2mm
Pin header height	3.0mm gold-plated, horizontal sticker
Spacing	2.54mm
Single Net Weight	2.7g
Gross Weight	49g
Product size	9.8 * 39 * 5mm
Packing Size	76 * 46 * 29mm
